

1. foramen rotundum
2. foramen ovale
3. foramen spinosum
4. foramen jugularis
5. external aperture of carotid canal
6. internal aperture of carotid canal
7. superior orbital fissure
8. Shipo triangle
9. Maxillary sinus
10. Tentorium cerebelli
11. Superior sagittal sinus
12. Project line of sagittal sinus
13. transverse sinus
14. confluens sinuum
15. Sigmoid sinus
16. Cavernous sinus
17. Mastoid emissarial vein
18. a. maxillaris
19. a. temporalis superficialis
20. a. facialis
21. v. facialis
22. a. facialis angularis
23. n. facialis
24. n. alveolaris inferior
25. n. lingualis
26. parotid gland
27. parotid duct
28. musculus masseter
29. Fovea pterygopalatina

1. cartilago cricoidea
2. linea alba colli
3. glandula submandibularis
4. trigonum (spatium) scalenovertbrale
5. subclavicular artery in scalenovertbral triangle
6. os hyoideum
7. cartilago thyreoidea
8. trachea - neck part
9. internal jugular vein
10. vertebral artery
11. common carotid artery
12. bifurcation of common carotid artery
13. internal carotid artery in the carotid triangle
14. external carotid artery in carotid triangle
15. thyroid gland
16. superior thyroid artery
17. left inferior thyroid artery
18. thyrocervical trunk
19. vagus nerve in cervical region
20. left recurrent laryngeal nerve in the cervical region
21. hypoglossal nerve
22. thoracocervical ganglion of sympathetic trunk
23. phrenic nerve in the cervical region
24. external jugular vein
25. thoracic duct in the cervical region (lymphatic)
26. place of the entrance of cervical plexus branches to subcutaneous cellular tissue
27. cervical part of esophagus

1. superficial subpectoral space
2. internal thoracic artery
3. costodiaphragmatic sinus
4. parietal pleura
5. mediastinal pleura
6. visceral pleura
7. left costosternal triangle of Larrey
8. inferior intrapleural field of pericardium
9. antero-inferior sinus of pericardium
10. oblique sinus of pericardium
11. transverse sinus of pericardium
12. auriculum of the right atrium
13. ascending part of aorta
14. left coronary artery
15. pulmonar trunk
16. Arterial duct (Botallo duct)
17. left vagus nerve in the thoracic cavity
18. phrenic nerve in the thoracic cavity
19. sympathetic trunk in the thoracic cavity
20. brachiocephalic trunk
21. descending part of the aorta
22. inferior vena cava
23. superior vena cava
24. bronchus in left lung root
25. bronchus in right lung root
26. right pulmonar veins
27. hemiazygos vein
28. azygos vein
29. thoracic part of the esophagus
30. thoracic duct in thoracic cavity
